

Johnny Cash one of the greatest musicians of our time

Author : admin

I remember about Johnny Cash's Hurt song as the nine inch nails cover was a very favourite one to me for quite a few years, in the meantime I reviewed Johnny Cash's musical works and decided to check some biographic info about Johnny Cash I was surprised to find out Johnny Cash used to create a lot of music about the Lord Jesus Christ and shocked by the fact he had a long period in his life in which he was a devoted Christian!

I'm really happy to find out this info as one I'm a christian myself and two he is one of the most influential musicians of the last 150 years, not to say of all times.

His biography is quite a bizarre one full of falling and standings, anyways i would skip the talks now and suggest for my readers to enjoy Johnny's Cash few notable songs:

Johnny Cash - Hurt Video

Johnny Cash - Ring of Fire Video

Johnny Cash - San Quentin (Live From Prison)

Johnny Cash - Redemption Video

Johnny Cash - I walk the Line Video

Johnny Cash - God's Gonna Cut you Down

Awesome music ain't it ? :)
